Tools and Tips for Gardening

& Plant and Seed Swap

Wednesday May 10th 7:00 pm

Everyone has that favorite tool or "secret" for gardening. Whether it be something to make gardening more effective, safe, or ergonomic, come and share it informally with the club. Afterwards, we will have a seed and plant swap, so bring seeds or non-invasive plants to share and swap. Find something new to grow!

Free and open to the public.
