Upper Perk Knit's Coming Soon!

Knit, chat, learn a skill, share a skill.

A gathering of veteran and rookie knitters.

Starting September 8th, join staff member Robyn and explore the world of knitting. Robyn Kermes, self-taught passionate knitter and library staff person, will facilitate the gathering. She loves to try out new knitting skills and has worked with cables, entrelac, stacked stitches, mosaic, and fair isle. Her favorite sweaters are the ones she knits without a pattern. Robyn is very happy to share what she knows, learn from you, field questions, research answers, and explore whatever interests the group.

The gathering can be whatever the group desires- knit and chat, do a KAL together, and share skills between new and veteran knitters. Robyn can loan you needles and yarn to try out knitting!
