She can also offer ideas about turning your research into a family heirloom. Ancestry.com is still available for at home use.

Library System Update

Our library system will be getting major updates from September 4 to September 14, 2021

During That Time:

You **MUST** have your library card or at least your card number with you, as we will not be able to look you up in the system.

Loan periods will be extended to minimize the number of books returned during the update. Returned books will remain on your account until the update is completed.

Fines cannot be processed during the update. We will be closed on Saturday, September 4th as part of the process.

Thank you for your patience during this time!
